Hello! Welcome to Prairie Point Junction's Wool Felt Newsletter featuring a sampling of patterns from our favorite designers. Our physical store front is home to our quilt shop filled with over 3500 bolts of 100% cotton fabrics and plenty of inspiration for all your creative projects. We have a passion for wool felt that shows in an area of our shop known as Wool Felt Central. Our wool felt area boasts 98 colors of National Nonwoven's Wool Blend Felt, plenty of 100% wool textures, plus hundreds of wool felt patterns and DMC embroidery floss too.

We invite you to visit our website for all your creative needs - this newsletter features just the tip of the iceberg of products that we carry. Don't see what you're looking for? Let us know and we'll see what we can do.

We'd also love to meet you in person if you happen to find yourself traveling across Nebraska. We're just minutes off Interstate 80, in central Nebraska. Stop by to see us soon.

Sincerely, Julie Geiger, Owner

Prairie Point Junction currently stocks 98 colors of wool felt from National Nonwovens, available by the yard, in 12" x 18" pieces, and in coordinated bundles.

Style TOY = 35% wool/65% rayon = \$9.50 per yard (36" wide)

Wouldn't it be fun to have a sample of all 98 colors? Choose from four options to best fit your budget and creative needs. All are labeled with the color name and number for ease in reordering and also include a color version of our DMC Floss/Wool Felt conversion chart.

Our Favorite Notions:

*Gold Eye Needles by Clover

Simply glides through fabric and felt.

*Roxanne's Glue Baste-It

Temporary, pH neutral, water-soluble glue to hold pieces in place while you stitch.

*Transfer-Eze

Copy design on printer. Adhesive back allows you to adhere film to fabric, stitch, then soak to remove. Easiest way to transfer designs.

Crock Pot Lasagne

Crock pots seem to be all the rage right now. My sewing friends and I love to put this recipe in the crock pot when we get together. It's a great idea for having a yummy meal without cutting into your "creative" time.

- * 1 box regular lasagna noodles - DON'T cook
- * Jar of your favorite pasta sauce
- * 1 tub ricotta cheese
- * 2 cups shredded mozzarella or Italian cheese
- * 1 pound of ground beef

Brown ground beef, add sauce and let simmer for at least 5 minutes. Pour in enough meat sauce to cover bottom of crock pot. Layer noodles, broken to fit in crock pot. Spread layer of ricotta, sprinkle with cheese and more meat sauce. Repeat layers, as you would when making regular lasagna. Put about 1/4 cup water in pasta sauce jar, shake, then pour remaining sauce over top. Cover and cook on High for 4 hours. Keep an eye on it, as mine is usually cooked before 4 hours are up.
