Below is a listing of supplies that are recommended for Heather Mulder Petersons classes. Items can either be mailed to you or can be picked up in the shop. Prices are subject to change. We also have plans for several kits for the Sizzling Sixties class. Check out our website for a color view of the fabrics we have ordered for kits - plus see all of Heather's fabric lines. More info available as fabric lines arrive.

In order to continue to bring nationally known teachers to our retreat, we truly appreciate your support in purchasing the required books, patterns and other supplies from our shop. Since many of you don't live in the Cozad area - we are certainly happy to mail items to you. So here's the deal Pre-order your books and patterns **when you send in your retreat deposit** and we'll take \$5.00 off your purchase - PLUS we'll even pay the postage to mail books or patterns to you. A nominal fee will apply to shipping rulers, grommets, etc, as they require a box to avoid breakage during mailing.
